Bibles for the Blind International**

Hello Everyone,

First of all, a word about our newsletter. We try so very hard to have a newsletter in our supporters' hands once a quarter. That means sometime during that quarter. But sometimes the printing of the Bible God's Word, in braille gets to be much to do. I just want you to know that we are aware of your need to know what is going on. But if it comes down to printing braille Bibles or printing and sending a newsletter which, by the way, is very time consuming with 1700 hard copies, nearly 1,000 on our e-mail list plus posting it on Facebook and getting it on our website that printing the braille Bible will win out every time! Please hang in there with us we are really doing the best we can to follow Gods direction.

OOPS!

November 2023 was such a busy month that I forgot to mention in our last newsletter that Bibles for the Blind was born on November 28, 1983-- 40 years ago! So please shout out a big happy 40th birthday to Bibles for the Blind and thank the Lord with us for 40 years of sending the Bible in braille to people all over the world; for all of the people who held a Bible in their hands for the very first time, for pastors who used their new Bibles to start new churches, for blind parents who used their new Bible to teach their children, for schools in Africa that used the Bible volumes to teach braille to their students ...and I could probably write a whole book of stories about the volumes of the Bible that have left this print shop.

It was very warm over Christmas here but now the calendar says spring, but the weather says winter. We hope that winter or spring, whichever it is treating you well wherever you are.

Thank you for being so very faithful in your praying and giving. You are a part of making it all happen here. In Christ's service for God's glory,

A handwritten signature in black ink, appearing to read 'Keith Reedy'.
